THE STANDARD FOR 1852

The present year will be marked by events of deep and lasting importance. A President and Vice-President will be elected; and we shall have, in this State, a warm campaign for Governor and members of the Legislature. The Legislature to be chosen will be called upon to elect a Senator for six years-to re-district the State for members of Congress-and also to lay off the Senatorial Districts and apportion the members of the House of Commons for the next twenty years. In addition o this, the great question of Equal Suffrage will come before that body for final action. These considerations, not to mention others, will render the campaign interesting to all. The people will desire to be informed as to passing events and the qualifications and soundness of public men; and, to be thus informed, they must not only hear the Raleigh, March 15, 1852. "stump" speeches, but they must take the news-

We shall devote all our energies to the cause of the people and of Democracy and equal rights, in to ourselves. Let us, then, go to work at onceet us prepare now for the harvests of August and November. Let us scatter the documents and newspapers far and wide among the people, so that they may have an opportunity of reading, pondering, and deciding for themselves, upon the great questions which will come before them. Democracy fears nothing so much as false issues and concealments. It is open like the sun-like the sun, it shines for all; and, like truth, it courts scrutiny and challenges investigation.

The undersigned offers the NORTH-CAROLINA STANDARD, as a co-worker in the good cause, at the following rates: Weekly, in advance, \$2; Semi-Weekly, in advance, \$4. Where payment is delayed beyond one month the price will be \$2 50 and \$4 50 respectively; and if delayed beyond six months, \$3 and \$5 in each case. Any person who will procure and transmit five subscribers, with the cash in advance, will be entitled to the sixth copy for one year, free of charge.

The undersigned hopes to add at least one thousand subscribers to his list during the pending campaign. He most respectfully and earnestly appeals to his friends in all parts of the State, to aid him in his efforts to disseminate sound principles among the people.
